

HERITAGE

CHRISTIAN ACADEMY

We have broken down each grades' items needs so that you only buy what your student needs. After each item listed, there is a class code (found in the footer). If there is more than one letter behind that item, then you will need to make sure you have enough for each class. i.e. Folder (B, C) you will need two folders-one for Bible and one for Computer. Thank you for ensuring that your child is ready for the school year! If there are any questions, please contact us as we will be glad to help answer any questions! -High School Faculty
